

961-Opportunities and challenges in matching talent with industry-perspective of a startup

The topic is relevant with some novelty but isn't dealt deeply and the references are not up to date, Naukri.com was established in 1997, more than two decades back and the field has seen considerable evolution. The authors don't even mention the contextually relevant instances eg. vita beans started by a bio-scientist.

The candidates are advised to maintain the following characteristics before the final submission:

Novelty/Realistic

Practical Feasibility

Expected Outcome

Some important links to understand how to write a research paper/manuscript:
