

Activation of cytotoxic T lymphocytes in cancer immunotherapy

Though the paper is good, but the author shows slight deviation from the main topic. The author's premier focus seems to be discussing the treatment strategies which should not be a major concern. The emphasis of the manuscript must be on the topic, Activation of cytotoxic T lymphocytes and that is something that you can work on.

The candidates are advised to maintain the following characteristics before the final submission:

- Novelty/Realistic
- Practical Feasibility
- Expected Outcome
