

Real Time Traffic Management and Vehicle Monitoring Using RFID and Internet of Things

Reference [2] is not good. The author should consult peer reviewed papers only. The author should focus on a given focus area. There are many technologies RFID, IoT, and machine learning discussed in the abstract.

The candidates are advised to maintain the following characteristics before the final submission:

- Novelty/Realistic
- Practical Feasibility
- Expected Outcome

Some important links to understand how to write a research paper/manuscript:
