

Consciousness: The missing link

Couldn't make out the relation between the title of paper and the abstract of paper; authors are advised to work upon the title again; the authors should also edit the general details in the abstract because they in the abstract should focus upon the major argument or concern in a precise manner.

The candidates are advised to maintain the following characteristics before the final submission:

- Novelty/Realistic
- Practical Feasibility
- Expected Outcome

Some important links to understand how to write a research paper/manuscript:
