

Cash vs Cashless : A Psychological Perspective

There is a lack of methodological clarity as to how they are going to find out about what people prefer cash or cashless systems. Can be accepted for presentation provided they mention the methodology. The idea is novel and has contributions. You can also check previous research done on preferences/ acceptance of digital transactions among Indians.

The candidates are advised to maintain the following characteristics before the final submission:

- Novelty/Realistic
- Practical Feasibility
- Expected Outcome
