

IMPACT OF HYPNOSIS ON HUMAN MIND AND ITS APPLICATION IN MEDICINE

The work is not very original. Many similar studies and reviews have been published by different authors from around the world. Content wise if you could include real case studies from published literatures from different sources that may highlight the importance of study but again that will not be a original work of their own.

The candidates are advised to maintain the following characteristics before the final submission:

- Novelty/Realistic
- Practical Feasibility
- Expected Outcome

Some important links to understand how to write a research paper/manuscript:
