

Vedic Civilisation: An Eco-Friendly Civilisation

The authors have put forth the problem but have not indicated the nature of arguments from Vedic Civilization to propose the solution to the problem; second, it seems that the authors are in full agreement with the ways and means of Vedic Civilization but they are well advised to develop a critical look to pick and choose selectively the points of Vedic Civilization to justify the long intervening period between then and now.

The candidates are advised to maintain the following characteristics before the final submission:

- Novelty/Realistic
- Practical Feasibility
- Expected Outcome

Some important links to understand how to write a research paper/manuscript:
